About Your Presenter:

B A, BD, Doctorate

Your Facilitator joined SAQA for the first time from 2000 - 2005. After 5 years he traded SAQA for the private sector, but rejoined SAQA in 2010. During this period, he was responsible for the coordination of around 20 RPL projects including writing RPL policies, doing RPL planning and designing RPL processes and procedures to incorporate RPL in workplaces. Apart from contributing to the national Assessment Policy developed by SAQA, he was part of several Departmental Committees dealing with Assessment issues such as the Examination Irregularities Committee of the Gauteng Department of Education, a committee of the Department of Basic Education considering examinations and ANA, an observer member of a committee of Umalusi considering standards of the matric examinations, and quality assurance processes concerning assessment procedures.
